

REMARKS

I. Title of the Invention

Applicants respectfully request that the title on the Notice of Allowance be corrected to reflect the title as amended in Applicants' Amendment filed on July 20, 2010, and as follows:

“A UI DISPLAY APPARATUS AND METHOD FOR DISPLAYING, ON A SCREEN,
AN ICON REPRESENTING A DEVICE CONNECTED TO A NETWORK”

II. Information Disclosure Statement filed December 15, 2010

Applicants hereby request that each reference identified on the SB/08 submitted along with the Information Disclosure Statement (IDS) filed on December 15, 2010 be considered by the Examiner.

Specifically, the Applicants note that reference CA (“Supplementary European Search Report dated September 22, 2010 issued in corresponding EP Application No. 05 72 6582.9”) of the SB/08 submitted along with the IDS of December 15, 2010 was not initialed. The Applicants note that reference CA, which is in English, was submitted to the USPTO along with the IDS of December 15, 2010. As such, the Applicants believe that reference CA was not initialed by the Examiner as the result of an oversight.

Thus, the Applicants hereby request that the Examiner return a fully initialed copy of the above-mentioned SB/08. The Examiner is invited to contact the undersigned if the Applicants’ position is unclear.

Respectfully submitted,

Naonori KATO et al.
